

Programme September to November 2020.

We have put a programme together until the end of the year, with the talks being held on Zoom. The position will be reviewed later in the year in order to decide on whether to continue on Zoom or if the situation becomes safe to do so, to recommence normal meetings as soon as possible in 2021. These Zoom meetings are for members only. To join, please see the Membership page on the website.
